

COMPANY NAME : Doğan Yayın Holding A.Ş.
DATE : 06.05.2010
INITIAL ANNOUNCEMENT DATE : 20.02.2009; 01.02.2010; 19.03.2010
SUBJECT : Notification of Tax Lawsuit Result and Notice of Penalty

It was previously declared to the public by our Material Event Disclosure dated 01.02.2010 that a significant part [of TL 772,5 million] of the cases [for the cancellation of the delinquent tax amount and tax penalty of TL 862,4 million] brought by our Company was determined in favor of our Company. By our announcement dated 19.03.2010, it was notified that the cases including a delinquent tax amount of TL 4.4 million and tax penalty of TL 8.2 million were concluded with a resolution of "partial approval and partial dismissal", and the ones including a delinquent tax amount of TL 632,240.- and tax penalty of TL 632,240.- with a resolution of "dismissal".

The latest update on lawsuits regarding this tax issue is summarized in the table below by taking into consideration the notification of new tax court results and notice of penalty received by our company;

Tax Court Resolution	Amount (TL)
Resolved in favor of our company	790.795.943,68
Resolved against our company	3.992.428,57
Ongoing court cases	67.600.116,50
Total	862.388.488,75

As notified by our special announcement dated 20.02.2009, a significant part of the cases determined in favor of our company was about Corporate Tax and VAT assessments and the relevant Court orders were appealed by the Tax Office. On the other hand, we have filed appeals for the cases determined against us, including injunction request. In relation to cases determined against us, or company has received the notification of the results of the cases and the notification for "tax penalties" amounting to TL 4,328,094.56- in total with its default interest and the "payment orders". A total of TL 99,873.68- was paid up until now regarding the notifications made to our company and the remaining amount (of TL 1,978,708.77-) will be dealt with after the result of the injunction request, still on appeal, is received.
